Full Bio

DJ B-RAVE, the artist name of Bert Berkelmans, is a passionate DJ and producer making his mark on the Dutch dance scene. Known for his energetic performances, strong sense of atmosphere and deep love for electronic music, he knows exactly how to move a crowd.

His main focus lies within Dance and Trance, where his sets stand out for their structure, energy and melodic progression. At the same time, his versatility allows him to seamlessly blend other styles, adapting to any audience and setting. His mission is simple: make people dance, enjoy and live the moment.

After training at DJ School Nederland, he further developed his skills as both DJ and producer, leading to the release of his own music. His track “*Wanna Dance*” perfectly represents his sound — energetic beats, a strong groove and a distinctive dance vibe.

In addition to his productions, DJ B-RAVE creates dynamic DJ mixes that combine multiple dance and trance influences, showcasing both technical skill and musical identity.

His career has already reached key milestones. In 2025, he performed at ADE in Club Escape, Amsterdam — a major step that confirmed his readiness for larger stages.

On March 7, 2026, he hosted his own track release party, followed by a radio appearance on Slog FM. During ADE 2026, DJ B-RAVE will return to Club Escape once again.

Driven by passion, dedication and a clear artistic vision, DJ B-RAVE continues to build his name within the electronic music scene.
